STATE PRESIDENT'S MESSAGE

Dear Doctor IMA Friends & Colleagues,

Wishing you Happy-Healthy-Wealthy New Year 2023, and also wishing you all Happy Makar Sankranti & Uttarayan, and also wishing you happy Maha Shiv Ratri; I feel extremely happy that on 18th December 2022, a par-excellence,

न भूतो न भविष्यती Medico-Spiritual conference was organized by IMA-GSB with BAPS being the venue host, which was attended by over 1200 delegates.

All medical lecture were very informative and thought provoking; but lectures given by Pujya GyanVatsal Swami and Pujya Brahm Vihari Swami were really inspirational.

We have received suggestions from most of the attendees that, such medico spiritual seminars be organized more and more in future, may be including attendance with family members also. Lot many members have suggested that, in annual GIMACON as well as in our each annual conferences of various disciplines and faculties; lectures on topics such as "doctor-patient relationships", "healthily the life style", "how to live 50 after 50", "challenges in medical practice" and also "Soul and Spirituality" and "positive thinking" should be included.

So many members have suggested that, with help from BAPS, we should make a book about our members' memoirs, inspiring anecdotes and photos with Pujya Pramukh Swami. SO, we request you to send us a small write up of your such nice memories and copies of photos to IMA-GSB office.

Now, we are feeling very sad and worrisome of getting frequent news of suicides of MBBS students and of resident doctors. After doing

tremendous and laborious hard work to achieve admissions and success in medical colleges, not only the candidate but his/her parents and entire family have warm wishes and high hopes for them. Parents have turned every stone to bring him to this stage, and it is so saddening and devastating for the whole family when he/she is gone or lost forever.

We must try to help them out by involving our psychiatry departments and our senior psychiatrists, giving psychotherapy. We should also arrange frequent seminars and diagnostic and help camps in medical college campuses.

Senior residents and professors of departments should find ways, how best to relieve undue work and mental stress, and help how best to keep juniors happy and healthy, and how best to grow their careers. Someone has to break the cycle of stress cycle जो आगे से चली आती है।

In USA and Europe, every medical institute has committees and directive principles for strict prevention of "resident burn out syndrome", it is now high time we also should adopt same system.

JAY IMA, Jay Jay Garvi Gujarat, Jay Hind.

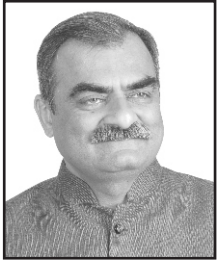

અંતે-નિદાન અને દવા ઉપરાંત આશા અને આશ્વાસનના બે-ચાર મીઠા બોર શા બોલ, થોડાક હકારાત્મક શબ્દોની પણ તેને જરૂર હોય છે તે હું ભૂલી ન જાઉં, તેનાં સ્વજનોની સ્વાભાવિક ચિંતા અને તેની અને સૌની આર્થિક સ્થિતિનો પણ હું ખ્યાલ રાખું એવું અનુકંપા-ધીરજ અને ખાસ તો ઉદારતા, હે ઈશ્વર તું મને આપજે....

Yours sincerely,

Dr. Mahavirsinh M. Jadeja
President, G.S.B., I.M.A.

HON. STATE SECRETARY'S MESSAGE

Dear Members,

**“The will to win, the desire to succeed,
The urge to reach your full potential...
These are the keys that will
unlock the door to personal excellence.”**

- Confucius

The year ended on a highly optimistic note. An element of the festivities of the season was heavy in the air and it was there for all to see, feel and celebrate. It was that time of the year when the sun set on another highly eventful year and the sun rose on a new year with renewed energy, revitalization and resurgence. The transition from the past to the future is always buoyant and idealistic. But at the back of the mind, the threat of the Covid resurgence is still hanging large and a little bit gloomy.

But we as humans and that too Indians live in a diverse and varied cultural society. It goes without saying that the medical practice saw a nosedive in the past month and all of us were neck deep in celebrating and relishing the festive, marriage season and of course CMEs and conferences galore.

The icing on the cake was the elaborate Medico-spiritual conclave held under the aegis of the colossal and grand Pramukh Swami Shatabdi Mahotsav. Words are few to describe the management, administration and facilities at the venue. It was all the more pleasing to note that more than 1500 doctors attended the whole day event.

**“To live a happier, more peaceful life,
begin to see that the richness of our society
comes from its diversity....**

**Rather than looking for things to criticize in those around you,
why not begin to respect the differences?”**

Leaders who are elected for the first time are applauded as pioneers in their respective fields and are lauded not only for their achievement but also for being trendsetters and pathbreakers in their individual capacity. **Dr. Anil Nayak** is one of those individuals who has never tread the conventional, but always defined new ideologies and principles that are the hallmark of an able leader.

A special word of acclamation and felicitation for **Dr. Anil Nayak** for having ascended the well nigh impregnable IMA National General Secretary post, which till date had never been the forte for any doctor from Gujarat.

“Some say leadership is an art. Some say leadership is a science.

The key to successful leadership is influence, not authority.

**Leadership is about enhancing and nurturing action,
not the position.”**

The modern practice of medicine has thrown up newer alternative which were not a part of our regular curriculum. All the registered candidates for the medico-legal course conducted by GNLU deserve a notable mention for their eagerness to further their knowledge and our best wishes for successful induction and progress in the subject.

The year has just begun and a whole new horizon awaits our services in the coming days. Suggestions, recommendations and propositions are welcome as our organisation has always favoured collaborative inclusive management amongst its members and committees.

IMA GSB Members

Respected Sir/Madam,

Sub: Recent spate of suicides amongst medical students.

One more tragic incident has taken the life of a budding new medical student who was on the threshold of an aspiring career in medicine, which is considered the noblest profession on earth.

It has become common place to hear about and witness unabated suicides in medical campuses in the past few years. It is no doubt a very disturbing, distressing and saddening trend which needs to be urgently addressed and the corridors of power need to frame norms or counseling to curb this at the earliest.

The suicides not only lead to the loss of a near and dear soul for the family but, there is also loss of an individual and an intellectual who could have brought a significant change in the Indian society through his acumen and patronage of the medical profession.

We are talking of brain drain to foreign shores for higher education, but the alarming increase in suicides should ring alarm bells and prompt action should be taken to arrest this saddening mania.

There seems to be an increase in stress and distress leading to mental depression within the profession. The culprit may be lying in the corridors of the medical campus which may be linked to perfectionism, pressure, competitiveness and obsessiveness or else.

It is of paramount importance to address this issue in an emphatic, informed and supportive way. Our sincerest and earnest request to all IMA GSB members of local branches to reach out to all medical students, parents, authorities of medical colleges and hospitals in your area and extend your wholehearted support for providing the best of counselling and support to alleviate the mental status of such students in the campus.

Request all members of IMA branches to voluntarily come forward to furnish their services and also to come up with positive suggestions to build a team or committee who are readily available in the campus to support and aid in terms of such emergencies in each medical college of Gujarat state.

Hope to receive a lot of support and inputs for this benevolent and important notion.

Kindly send your details of committee or team, which will cater to medical college and hospital in your area to GSB office.

With regards,

Dr. Mahavirsinh M. Jadeja
President, IMA GSB.

MEDICO - SPIRITUAL CONCLAVE Pramukh Swami Maharaj Nagar

It was a matter of immense pleasure for me to get an opportunity to attend the MEDICO-SPIRITUAL CONCLAVE arranged by IMA-GSB at PRMUKH SWAMI MAHARAJ NAGAR. My sincere thanks to Dr Navnit Patel for inviting me and gracefully received me. What an arrangement! Everything was in perfect order.... One of the biggest personalities and finest orator on philosophy of life Pujay Gyanvatsal swami maharaj was himself present to receive guest. The selection of the lectures were of highest quality and subject were too good. Gnanvatsal Swami and Brham Vihari Swami have delivered lecture on the subject of positivity in adversity and in joy of others.

Hypnotics speech, mesmerizing material and wonderful ornamental language in perfect chronological order. The Almighty has blessed them with gift of gab. The whole learned audience was spellbound. I have heard so many fantastic political and religious speakers but yesterday lectures were out of the world . I have no words to express my feelings so overwhelmed! Perhaps the best I have ever heard in my life.

PRAMUKH SWAMI MAHARAJ NI JAI HO.

પરમ પૂજ્ય સ્વામી બાપા ના પરમ ભાવ “સૌનુ કલ્યાણ થવું” ને જે લોકોએ દિશા સૂચક પથ દર્શક માન્યો છે અને “માનવસેવા એ જ પ્રભુ સેવા” ના કતૂત્વ ભાવ સાથે જ્યારે આ નગરમાં હજારો તબીબો સાથે આધ્યાત્મિક અને વૈજ્ઞાનિક ચર્ચા સભામાં પૂજ્ય જ્ઞાનવલ્લભ સ્વામીએ અને પૂજ્ય બ્રહ્મવિહારી સ્વામીએ પણ માર્ગદર્શન સાથે પ્રેરણા પૂરી પાડી હતી.

IMA-GSB અને BAPS ના સ્વયંસેવકો દ્વારા અથાગ પરિશ્રમથી ખૂબ સુંદર સંચાલન કરવામાં આવ્યું. તમામ તબીબ મિત્રો જેમ કે ડૉ. તેજસ પટેલ, ડૉ. મહાદેવભાઈ દેસાઈએ સુંદર વિષયો સાથે ખૂબ જ જરૂરી વાતો પર પ્રકાશ પાડ્યો

આ ઉજવણી દરમિયાન અનેક લોકોએ પોતાના જીવનમાં આધ્યાત્મીતા સાથે સુખ અને શાંતિ પ્રાપ્ત કરી પરમ પૂજ્ય પ્રમુખ સ્વામી મહારાજનગર માં યોગદાન આપી પોતાનું જીવન ધન્ય કર્યું છે.

It was almost a divine pleasure to have attended the IMA GSB and BAPS organised Medico-Spiritual Conclave at Pramukh Swami Maharaj Shatabdi Nagar on 18 Dec, 2022. All the medical lectures were greatly informative with hundreds of pearls of wisdom, and especially Fructose Toxicity by Dr. Chetan Bhatt was an eye opener. Spiritual and motivational speeches by Pujya Gyanvatsal Swami and Pujya Brahmvihari Swami were truly inspirational. The entire program was magnetic and awesome. Personally for me, it was even a step more pleasure; because I was active on both sides; a volunteer member of the venue host BAPS as well as an active member of IMA-GSB.

This half day conference actually should have been an entire week-end event. More and more such conference should be held. IMA-GSB can and should have more frequent medico-spiritual week-end conferences. In the nut shell, I was stuck to the chair as if I was magnetised, as if by fevicol, not only me, for all 1300+ attendees, it was like transcending to a few steps higher of medical as well as spiritual level. Post the excellent lunch, visiting the Pramukh Swami Nagar with guide volunteers was like, going up to 7th sky and higher.

It gives me immense pleasure to be a part of world's biggest spiritual gathering in PramukhSwami Maharaj Janm Shatabdi Mahotsav organized at door step of Ahmedabad by BAPS organization under able guidance of Shri Mahant swami during 14th Dec, 2022 to 15th Jan, 2023.

This gathering doesn't limit to religious purpose only but according to vision of Param Pujya Shri Pramukh Swami Maharaj, this was enhanced to bring all strata of society on single platform in presence of holiness of great saints.

I am thankful to president, Secretary of IMA GSB and organizer of the event for arranging Medico Spiritual conclave for more than 1300 medical professionals. Ethnics and professional values are founder stone for quality service provision and it build up strong relationship between doctors and patients by treating them as a Dardinarayana. Renowned orators Gnyanvatsal Swami and Brahm Vihari Swami gave a talk on positivity in adversity and real meaning of joy is really a heart touching and everybody appreciate it.

Very deep and meaningful speech mesmerized everyone. The whole educated audience was spellbound. I have listened many religious leaders but these lectures were something else, beyond the explanation of word. I am overwhelmed, heartedly touched.

PRAMUKH SWAMI MAHARAJ NI JAI HO.
