MESSAGE**

Dear Friends,

When this issue of bulletin reaches you Diwali celebration must have started, there will be Diwali vacation in schools. On our behalf kindly accept greetings of diwali and new year, may this New Year bring prosperity in your life and God fulfill all your wishes.

India is a land of festivals. Diwali, the Festival of Lights, is celebrated with fervor and gaiety. This festival is celebrated by young and old, rich and poor, throughout the country to dispel darkness and light up their lives. The festival symbolizes unity in diversity as every state celebrates it in its own special way.

Diwali also known as Divali, Deepavali, the festival spiritually signifies the victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair. The festival preparations and rituals typically extend over a five day period.

Friends, it is moment of pride for all of us that our own Dr. Ketan Desai has been elected as President of World Medical Association for the year 2016. We are confident that under his able leadership World Medical

Association will achieve new height. This signifies that now World has realized the importance of India in Medical field and has elected our member as president of this apex body which has power to influence health care of whole world.

Friends, though this is festival and vacation season but let us remind you that our office is working in full swing to make IMANATCON-2014 a memorable event.

It is our privilege that after the gap of 25 years, National conference is hosted in our state.

We request all of you to register for our National Conference. We are expecting many international faculties as speakers and delegates.

We request all the president and secretaries of all local branches of Gujarat to motivate the members to register for this conference.

An another important thing has occurred on international front that makes every Indian proud is an Indo-Pak, Hindu-Muslim combination of Kailash Satyarthi and Malala Yousafzai who shared the Nobel Peace Prize honours for 2014 for their work on promoting child rights in the troubled sub-continent.

Long Live I.M.A.

Dr. Bipin M. Patel

AMA docs take the vow of cleanliness

Each took an oath to influence 100 people

By a correspondent
Deesa, Ahmedabad

For a change, Income Tax at 7:30 am did not wear a deserted look on Friday, as Ahmedabad Medical Association (AMA) members gathered to take a 'swachhata shapath' (vow of cleanliness). "We know that if we maintain cleanliness, many diseases can be avoided. Cleanliness and hygiene are concepts we need to incorporate in our routine," said Dr Jitendra Patel, president of Indian Medical Association (IMA).

He added, "Spreading dirt is a mental disease. Attitude of people needs change. We don't litter in foreign countries, and we must not litter in our country too."

Doctors vowed not to litter their vicinity, and hoped the symbolic gesture of them cleaning the streets would atleast influence 10% population. Each took an oath to influence 100 more people. Cleanliness programme was continued all day long, at all hospitals, clinics and nursing homes.

GUJARAT MEDICAL JOURNAL

(Report : by Dr. K. R. Sanghavi; Hon. Editor,
Dr. Harshad C. Patel; Hon. Jt. Editor; Dr. B. I. Patel; Hon. Secretary)

During the year two issues of Gujarat Medical Journal (GMJ) are published. The second issue of GMJ was published in the month of August, instead of July.

We hope, you have found the articles in those both the issues very useful and interesting. We have taken utmost care to maintain our established standards and norms. It was our Endeavour to make GMJ the front runner medical journal in the country. For decades, our members do research work in Gujarat and they furnish data and information in the form of research papers. Like that GMJ provides them an important platform. Now our GMJ has become an Indexed Journal and so an original article, case report or letter to the editor published in GMJ accordingly provides earning of credit hours to the author.

We thank all those esteemed learned colleagues for their contribution and work. To us, they are not only doing research work but they are serving the society also. Our learned and experienced referees are very strict and vigilant in selection of articles. We are thankful to them all for helping us in maintaining our laid down standards.

While selecting the articles, we were conscious to see that the articles cater the need and interest of practitioners of all the specialties.

We thank President GSB IMA Dr. Bipinbhai Patel, and state Hon. secretary Dr. Jitendra N. Patel for their useful guidance and special interest in publication of GMJ issues. We are also thankful to our past presidents Dr. Kirtibhai Patel and Dr. Mahendrabhai Desai for their help and guidance.

With regards,

AUDITOR'S REPORT

To,
The Members of

Indian Medical Association

Report on the Financial Statements

We have audited the accompanying financial statements of **Social Security Scheme – Gujarat State Branch Indian Medical Association**, which comprise the Balance Sheet as at March 31, 2014, and Income and Expenditure Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with the Trust Act. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- In the case of the Balance Sheet, of the state of affairs as at March 31, 2014; and
