**STATE PRESIDENT'S MESSAGE**

Respected Members,  
Season's Greetings to all !

Waves are inspiring not because they rise and fall.  
But because each time they fall.....  
they never fail to rise again.

- **Ralph Waldo Emerson.**

Wishing you all a Very Happy Diwali and Prosperous New Year !!!

Hope you all had enjoyed biggest festival of our country - Dipawali!!!

May the festival of light radiate the rays of hope and positivity in all our lives.

On 8-9 October 2022 ; dynamic Women's wing of IMA Surat branch had organised ; IMA West zone women doctor's conference EVECON .We were fortunate to have dignitaries from IMA head quarters as guests. It was very meticulously planned event. I congratulate IMA Surat branch and a committee members lead by women wing President Dr Diptiben Patel and Secretary Dr Mitali Garg under guidance of young and dynamic leaders of Surat branch Dr Vinod Shah; Dr Parul Vadgama; Dr Pragnesh Joshi ; Dr Bhupesh Chawda and others .They have set an example of dedication and willpower to do the things right overcoming all hurdles!

Be ready for our signature event GIMACON 2022 on 19-20 November 2022 at Vadodara.Please participate in large numbers with family and friends and enjoy scientific feast along with Musical bonanza -A live concert by famous Bollywood singer and "Teri Galiya" fame - Ankit Tiwari .

Following are the few important days in this month to celebrate.

**1] World Diabetes Day -- on 14th November:** There are millions of people with diabetes in India not having proper access to the diabetic care. We have around 80 million diabetic patients in India.

Diabetes is a disease involving multiple organs in the body so it must be treated in a comprehensive and multi disciplinary approach.

The theme for this year is "Access to diabetic care".

We should work together in detecting diabetes early and attain the stage of complication free diabetics.

## 2] National Epilepsy Day-- on 17th November:-

17th November is observed as the National Epilepsy Day to create awareness about the disease.

According to WHO 50 million epilepsy patients are there around the world and in India its around 10 million. Epilepsy is mostly treatable with medical line of management.

Let us create more awareness about the fallacies, myths and superstitious beliefs of the disease and guide the patients and their guardians to avail the correct and better treatment.

## 3] World Antimicrobial Awareness Week 2022 - WHO along with few organisations celebrate this week from 18-24 November every year. We should spread awareness and stop resistance. Antimicrobial Resistance (AMR) occurs when bacteria, viruses, fungi and parasites change over time and no longer respond to medicines. This makes infections harder to treat and increases the risk of disease spread, severe illness and death.

We should spread awareness about AMR and about over use of medications, self- medications, google treatments, buying medicines over the counter without the proper examination by the doctors and its consequences.

## 4] World AIDS Day:- It is observed on 1st December of every year. We should work towards "Ending the HIV epidemic ; Equitable access, Everyone's voice" It is conducted to increase the awareness and knowledge about HIV and speak out against HIV stigma and to provide improved health care facility in moving towards ending the HIV epidemic .We from IMA can take the front seat in creating the awareness about the disease, its transmission and ways of preventions by conducting educational lectures or displaying videos about the same to the younger generations like the high school children and college students who are the vulnerable group.

Take Care - Be Safe !!

"Stay Safe - Be Healthy"

Jay Hind ! Jay IMA !!

**Dr. Paresh M. Majmudar**  
President, G.S.B.,I.M.A.

## HON. STATE SECRETARY'S MESSAGE

Dear Members,

दीपज्योतिः परं ज्योतिः दीपज्योतिर्जनार्दनः ।  
दीपो हरतु मे पापं, दीपज्योतिर्नमोऽस्तुते ॥  
शुभं करोतु कल्याणम्, आरोग्यं सुखसम्पदः ।  
द्वेषबुद्धिविनाशाय, आत्मजोर्धित नमोऽस्तुते ॥  
आत्यज्योतिः प्रदीप्ताय, ब्रह्मज्योतिः नमोऽस्तुते ।  
ब्रह्मज्योतिः प्रदीप्ताय, गुरुज्योतिः नमोऽस्तुते ॥

It is that time of the year when the spirit soars high and the heart is ecstatic and eager in anticipation of the festivities lurking round the corner. The mind whirls joyful cartwheels of creativity and the heart sings sweet lullabies of timelessness. Deepavali, the festival of lights is a festival that unites every home and every religion. The festival promotes the much needed peace, harmony and brotherhood in society and transcends India into a land of myriad lamps.

Diwali's essence lies in the shloka "तमसोमांज्योतिर्गमयः" which means leading me from darkness to light. Every individual should awake his inner light which has the power to dispel darkness and clear all obstacles in life.

Life is much more than a mere journey and is a continuous quest for truth and knowledge.

The divine light burns within all of us and let this **Diwali** shine bright and abound in joy and happiness for all humanity and dispelling darkness of ignorance and all other evils creating havoc on society.

This month we also celebrate the birth anniversary of one of the architects of India and a true lover of **children – Pandit Jawaharlal Nehru on 14th November**. Let us all awaken the spirit of the child within us and fly in a spirit of innocence and selfless love and joy. It has been said that - A child teaches an adult three things:

*to be happy for no reason,  
to be always busy with something and  
know how to demand with all his might.*

This day is also celebrated as **World Diabetes Day**. Isn't it apt that when the world is celebrating the month of festivals with sweets and savories in all hues and tastes, diabetes also makes its present felt. The theme this year is "education to protect tomorrow."

The association also reinforces the same and advocates education in all forms to empower, evolve and excel the youth of today.

**GIMACON** – the annual conference that unites all members of all branches of medicine is being hosted in the **Banyan City i.e. Vadodara**. Hope we are able to show our strength and unity with our valued presence in the conference. Hail IMA and its hallowed integrality, solidarity and concord.

Lastly wishing all my dear brethren

*"A very happy Deepawali and  
A joyous, prosperous and healthy New Year ahead."*

*"Your success and happiness depends on you,  
You have to steer and shape your own fortune;  
You have to educate your own self and do your own thinking,  
You make your own decisions and abide by its consequences."*

*– Benjamin Franklin*

## GUJARAT MEDICAL JOURNAL

(Report: by Dr. Kamlesh B. Saini;

Hon. Editor, Dr. Harshad C. Patel; Hon. Joint Editor, Dr. B.I. Patel; Hon. Secretary)

In this year of our tenure, we could publish two issues of Gujarat Medical Journal (GMJ). The last issue was published on 31st March. We are happy that now very regularly we are publishing GMJ.

You all know now, that GMJ is indexed in Index Copernicus International" (ICI), and all the issues of GMJ since 2015 can be viewed on; <https://journals.indexcopernicus.com/search/details?id=43553>

G.M.J. has created own website & online portal with use of OJS platform. GMJ has registered with crossref for obtaining DOI for each article individually & are in process of obtaining e-issn.

Obviously the Gujarat Medical Journal should look for impact factor which is the next big thing for any scientific journal. To achieve this we need to put in a lot of efforts. We would like to request all the research minded doctors in Gujarat who are in research field to seriously consider GMJ for their manuscripts. We are also making all efforts to make our journal website at par with any leading medical journal. We hope to bring in many more value added features to our journal within a reasonable period of time. We solicit full support by our members. There suggestions will be valuable to us.

We are thankful to IMA GSB President Dr. Paresh M. Majmudar and Hon. State Secretary Dr. Mehul J. Shah for their whole hearted support during the year. Also we are thankful to Dr. Urvesh Shah (GCS Medical College, Ahmedabad & Dr. Chinmay J. Shah, GMC, Bhavnagar) for helping us in maintaining the Indexation status of our Journal. We are also grateful to IMA GSB Past President Dr. Jitubhai B. Patel, Dr. Kirtibhai Patel, Dr. Mahendrabhai Desai, Dr. Bipinbhai Patel and Dr. Yogendra Modi for their guidance and help.

Thanks,

With regards,
