**STATE PRESIDENT
AND
HON. STATE SECRETARY'S
MESSAGE**

Dear Members

Season's Greetings!

We are deeply pained to see the PG guidelines draft notification issued by the NMC and expressed our strong opposition to it. Indian federal structure is the question, in this draft notice. In the state-run medical institutions, the PG seats are going to be filled by the central government, for all 100 percent of seats. This will take away the interests of state government to run and rejuvenate medical institutions and also take care of their own public health. Besides this, the proposal of the District Residency Program, Dual degree system, and many others are really confusing. No clear guidelines and clarity on NEXT Exams, especially for the contentious issues raised in the proposed exams, and their pattern are not answered. The regulation states, a candidate who has scored a particular mark in a NEXT Exam he is writing, can reappear for the exam only after three years, which is a real setback to all the young doctors. IMA will fight on this issue continuously.

Draft regulation for compulsory Rotating Internship 2021 placed into the public domain for opinion by National Medical Commission New Delhi. IMA fully opposes the inclusion of one-week exclusive elective posting which is contrary to the established norm, superfluous and an attempt to initiate myxopathy. IMA strives for purity of profession.

AYUSH and its components are vast subjects, working there for a week the intern will not learn any new skill, and there is no clarity who shall be their mentor, and will they be assessed by NMC faculty norms or not. What is the objective, roll or competency will be learned which will augment his competencies as IMG.?. Are we adding engineering and Agricultural science too for a week as it will make him a perfect human being? One-week period exposure especially in another system of Medicine will only pave the way to a half-baked myxopath, which is disastrous for the country.

The rider for the said elective is very clear to the effect that provided the said discipline is available in the same college / institution where the internship is being done by the intern. In this pretext, attempts will be made to introduce all these disciplines inside the Modern medical hospitals, and slowly myxopathy will creep in.

It is also to be borne in mind that in terms of the interpretative pronouncement made by the Hon'ble Supreme Court in series of proclamations that the registered medical practitioner in a given pathy whereunder he/she have been trained and possesses the requisite registering qualification is entitled to practice the said profession and not trespass any other profession in any manner by practicing the same. This being binding and established position of law any posting in the name of elective in the period of internship which has no bearing in regard to the competencies that the intern would be entitled to practice as a registered medical practitioner are neither open nor permissible for inclusion in the said internship program, otherwise, it will be violative of this binding settled legal position in terms of it being law of the land.

The leaders of IMA Surat and IMA JDN Team deserve all appreciation in successfully conduction of IMA JDN National leadership event at Surat, on 21st August 2021.

We appeal to all our beloved members to constantly practice Covid appropriate behaviors and serve as the Ambassadors to make the benefits of Vaccines reach every citizen of our country. We know for sure; Vaccines are the powerful weapon we have to protect the community from the clutches of Covid. Whatever little way feasible, promote vaccination drive in your area. Let us take the pledge, to raise our voice, to adhere to Zero tolerance against mass gathering at any pretext.

Jay IMA

NOTICE FOR REGISTERED MEDICAL PRACTITIONERS (RMP)

ADVISORY REGARDING ADVERTISING IN MEDICAL PRACTICE

It has come to the notice of Gujarat Medical Council recently, that in today's era of competitive medical practice, corporate hospitals and private practitioners have been knowingly or unknowingly overstepping the Laxmanrekha of Ethical advertising. This results in violation of Code of Professional Conduct, Etiquette and Ethics 2002 under the IMC Act. Violation of this act is punishable and Gujarat Medical Council has legal obligation to take suitable actions against registered medical practitioners violating the code of ethics.

In such circumstances, the Gujarat Medical Council has decided to issue an advisory to all its registered medical practitioners to exercise great caution while advertising and take abundant precaution not to violate the code of ethics by unethical advertising.

Herewith are mentioned the situations and circumstances wherein a registered medical practitioner is allowed to advertise in an ethical manner (clause 6.1 of code of ethics)

2. On change of type of practice
3. On changing address
4. On temporary absence from duty
5. On resumption of another practice
6. On succeeding to another practice
7. Public declaration of charges

Also herewith are mentioned some relevant unethical acts and professional misconducts as defined by the Code of Professional Conduct, Etiquette and Ethics 2002, for wider awareness of all registered medical practitioners.

ENDORSEMENT

A physician shall not give to any person, whether for compensation or otherwise, any approval, recommendation, endorsement, certificate, report or statement with respect of any drug, medicine, surgical, or therapeutic article, apparatus or appliance or any commercial product or article with respect of any property, quality or use thereof or any test

Breach in this code will invariably lead to suitable actions/punishment by the Gujarat Medical Council

**HON. REGISTRAR,
GUJARAT MEDICAL COUNCIL**

NOTE: The council also hereby deems it appropriate and relevant to bring to the notice of concerned registered medical practitioners about the judgment given by MCI on the appeal filed by Shri Rameshkumar Khatri, wherein the MCI ordered to remove the names from IMR for 15 days of 10 Registered Medical Practitioners working in a multispeciality hospital in Sonapat, Haryana, as their names with photographs appeared in advertisements. The council interpreted such advertisements as an act of violation of code of ethics.

Subject: Involvement of Private Practitioners in National AIDS control Program through implemented by Gujarat State AIDS Control Society (GSACS)

Dear Sir,
 Greetings from The Gujarat state AIDS Control Society (GSACS)

As you are aware that GSACS (Gujarat State AIDS Control Society), established by Health & family welfare Department Government of Gujarat is implementing the National AIDS control programme (NACP) through the technical and financial support from the National AIDS Control Organization (NACO), Ministry of Health and Family welfare, Government of India, New Delhi. As per NACO estimation 2019 Gujarat state may have 103500 estimated People living with HIV/AIDS, out of them Gujarat State AIDS Control Society through its Care Support and Treatment (CST) division providing ART (Anti Retro viral therapy) service to 71238 People living with HIV/ AIDS from 42 ART centre's which function from district hospitals and Government as well as private medical colleges. ART Centre ensures that each client take their lifelong ARV drug regularly and if any client become defaulter ART Centre bring back them on treatment through proper counseling and guidance with the help of CSC (Care & support Centre). CSC mainly set up to take follow up of defaulters clients and bring back them on ART services through proper counseling and guidance with client consent. Vihaan programme has observed many clients taking ART services from private hospital could not continue their treatment because of treatment cost burden and become defaulter in due course of time. Government not able to track such clients due to unavailability of data from private providers. To track back such clients and ensure their treatment continuity, better co-ordination between government and private sector is needed. NACO also stated in its ART guidelines that 'there is a need to bridge the gap in treatment recommendations between public and private sector programmes because many patients transition between the two sectors for treatment'.

Co-ordination between Public and private Sector will bring out possible outcome like:

- Regular reporting of the care and support services to the PLHIV registered in private sector facilities. (reporting need to send in attached format on mention Email: gujsacs.private@gmail.com)
- Following of national technical guidelines and standardized treatment regimens. (Guide line can be access on [NACO - National Technical Guidelines on ART October 2018 \(1\).pdf](#))

Kindly provide your co-operation in following thematic areas:

1. Circulate private Sector program concept note among your district bodies. (Herewith Concept Note attached)
2. Issue the list of Private Hospital treating people living with the HIV/ AIDS.
3. Issue a letter to Private practitioners/ Hospitals to report as in prescribed format on regular monthly basis. (reporting format attach Herewith)

GUJARAT MEDICAL JOURNAL

(Report : by Dr. K. R. Sanghavi; Hon. Editor,
Dr. Harshad C. Patel; Hon. Jt. Editor; Dr. B. I. Patel; Hon. Secretary)

In this year of our tenure, we could publish two issues of Gujarat Medical Journal (GMJ). The last issue was published on 31st July. We are happy that now very regularly we are publishing GMJ.

You all know now, that GMJ is indexed in "Index Copernicus International" (ICI), and all the issues of GMJ since 2015 can be viewed on;
<https://journals.indexcopernicus.com/search/details?id=43553>

Obviously the Gujarat Medical Journal should look for impact factor which is the next big thing for any scientific journal. To achieve this we need to put in a lot of efforts. We would like to request all the research minded doctors in Gujarat who are in research field to seriously consider GMJ for their manuscripts. We are also making all efforts to make our journal website at par with any leading medical journal. We hope to bring in many more value added features to our journal within a reasonable period of time. We solicit full support by our members. There suggestions will be valuable to us.

We are thankful to GSB IMA President Dr. Devendra R. Patel and Hon. State Secretary Dr. Kamlesh B. Saini for their whole hearted support during the year. Also we are thankful to Dr. Urvesh Shah (GCS Medical College, Ahmedabad) for helping us in maintaining the Indexation status of our Journal with Index Copernicus International. We are also thankful to our ex-editor Dr. Amitbhai Shah for helping and guiding us time to time. We are also grateful to GSB IMA Past President Dr. Jitubhai B. Patel, Dr. Kirtibhai Patel, Dr. Mahendrabhai Desai, Dr. Bipinbhai Patel and Dr. Yogendra Modi for their guidance and help.

Thanks
